

Annual Meeting Announcement 8-17-21

With an abundance of caution and concern for the wellbeing of its membership, the P&O Board of GSRA has decided that we will not have the Annual Meeting on October 4 at Lake Blackshear as planned. We will continue to assess the situation as the pandemic surges, and we remain hopeful that the meeting can be held in the future. If you have already made room reservations at the Resort, you can cancel without penalty. We regret any inconvenience this may cause. Be assured that GSRA will do all we can to reschedule the meeting at a time we can do it as safely as possible.

Continue to follow GSRA on Facebook or at www.mygsra.com for updates and all the news. Thank you for your support in this difficult time.
