

Why should I join GSRA? What will I get?

- ***Timely, valuable information, not available anywhere else, through email, our content-rich website, and social media platforms, as issues affecting retirees and employees arise.***
- Monthly members'-only newsletters and other on-point information about what state leaders and policy makers are doing that affects you.
- ***Official representation at the Capitol and access to key decision-makers all year long by our own registered lobbyist and volunteer member advocates.***
- ***A connection and purpose in retirement: the opportunity for fellowship and to work for "common cause" with fellow state retirees.***
- ***Access to discounts on health- and lifestyle-related services and benefits offered by partnering organizations.***
- The opportunity to attend the *Annual Meeting* each Fall and other events.

Annual dues currently are \$20 per year, with automatic pension deductible option available. Lifetime memberships also are offered at \$275. Contact our administrative office at 770-312-2779 for information or assistance

"Every Member Matters"

Our Mission

Protection of your promised pension and healthcare benefits.

Why Does Every Member Matter?

- ***The more members we have, the greater the impact we have.***
- Legislative and State Executive Leadership and Policy Makers pay attention to "numbers," including the size of our membership.
- ***A large statewide membership creates a presence that cannot be ignored.***
- Whether you choose to take an active role, or just show support by paying your annual dues, your membership is vital to our growth, advocacy impact and continued success.
- ***We are stronger working together, speaking with one voice, than acting alone.***

What Is GSRA?

GSRA is THE highly-respected, all - inclusive state retirement advocacy organization, representing the interests of 55,000 retired state workers, and working exclusively for the retirement security of all current and future state retirees.

- A non-profit membership organization founded in 2006 by senior-level state staff, alarmed at threats to health benefits and pension plans and benefits.
- ***Your public affairs “watch dog”, monitoring policy and legislative trends and developments that could impact retirees and active employees.***
- A non-partisan organization, not affiliated with any political parties or candidates.
- ***A statewide organization, offering a local, personal connection, wherever you live.***
