The Employees Retirement System Board will meet at 10:30 A.M. this Thursday, Feb. 21, at its Two Northside 75 office building. This meeting is the prelude to the April meeting in which the Board will announce whether it will grant either a COLA, a one- or two-time non-compounding payment like the last three years, or no adjustment at all. Therefore, it is extremely important that the ERS Board be reminded that the decision it will be formulating over the next two months is crucial to all of the system's 51,000 beneficiaries.

Please find time to attend this meeting. Your presence will weigh more than all the eloquence your GSRA officers can muster.

We look forward to seeing you there, Thursday, Feb. 21!
