Dear Fellow Retirees,

Vol. 1 No.1/ December 2006

Merry Christmas and a Happy New Year from GSRA!

You are receiving this newsletter because you expressed an interest in our *new* organization for state of Georgia retirees: Georgia State Retirees Association. In the last couple of weeks a lot has happened. The core group of organizers met recently and continued with the formation of the organization. They will meet again in early January.

In an effort to provide more timely information about the organization and retiree issues we have developed an initial web site at www.GeorgiaRetirees.org. It is from this web site that you are receiving this email newsletter. From all of the emails Claude Vickers received at GSRA@numail.org (about 800 so far) we have loaded an address database with email addresses and other basic contact info, where available. Feel free to share this web site address with other retirees. From the Newsletter page of the site they can subscribe to the newsletter. If your email address changes please use this page also to unsubscribe your old email address and subscribe your new address.

Feel free to send suggestions about the web site to feedback@GeorgiaRetirees.org.

Have a Happy New Year!

The GSRA Steering Committee
