

**Georgia State Retirees Association**

Dear GSRA Member:

This is an important year for our organization. We have the best opportunity in a very long time to secure a restoration of the annual 3% COLA. Your GSRA leadership is working hard to get our message in the hands of as many legislators as possible. I promise you that we will continue to work hard on your behalf.

However, we need your help. On February 6th, we will hold our annual GSRA Day at the Capitol. This is always an important event every year, but its importance is even greater this year. We are honoring the Speaker of the House with our Legislator friend award. We expect many key legislators to be in attendance.

Also, we need as many members of GSRA as possible to attend our legislative reception. I urge you to set aside the time to come to Atlanta on February 6th and participate fully in the GSRA Day at the Capitol activities.

Please logon to [www.mygsra.com](http://www.mygsra.com) to register now, and join me on February 6th in Atlanta!

Thank you for your support of GSRA.

Jim Sommerville, President

GSRA
